### Note:

- Thursday, May 22nd is a "C" Day. Students will attend all classes 1st - 8th periods.
- Grab and go lunches for students will be provided at the end of the day for final exam days 1-4.

## **SENIOR FINALS**

Date	Senior Final Exam Period	Seniors will be attending normal classes outside of these final exam periods. For example, on 5/16, when they take 5th & 6th, that is a regular day. Students will continue to have a <b>FULL DAY OF CLASSES</b> on these days.
May 16	5th & 6th	
May 19	1st & 2nd	
May 20	7th & 8th	
May 21	3rd & 4th	

**Note:** The senior finals testing window will open May 16th.

To prepare for graduation, all grades for seniors must be submitted Thursday, May 22nd. Taking Final Exams early does NOT mean that students are not in class after their finals. Seniors and Senior teachers should plan for students to be in class to avoid accruing additional absences or if students still need to complete work to be successful. Senior finals should be given during class. Seniors will only have **90 minutes** to take each exam because they are given during regular class time.
